had increased by Rs 902 (on account of interest), the balance was about 312 Rs While the Sales of the other 85 nos realised Rs 448. One of Mr Weir's objections was that 5 nos 26 which realised Rs 130 should not have been sold as the other 7 nos realised the balance outstanding but the present Bg Comr's point that this could not have been foreseen till the completion of sale but from the order in wh the lands were sold it appears that the amounts need not have sold 12, 13, 14 & 21 wh were the last to be sold & wh realised in all Rs 122 or 137. +15

Suit 826

Orders

The Assistant was in this case drawing a warrant of judgment which was not to be expected from an officer of his ability and experience.

The assistant was directed immediately to telegram.

On 15-2-97 that the sale might be stayed pending Po etc were paid on or before date of sale.

On 15-2-97 it appears that £1-8-0 were paid on behalf of a party interested in the lands. This payment being not made previously to the deficiency was for payment of Revenue arrears equivalent to payment by the defendant (vide section 32 para 2 Land Revenue Rules).

The conditional sale in the deficiency commissioners order were therefore more than satisfied 3 days before the sale.

On the circumstances the sale of the assistant on 15-2-97 was unauthorised and opposed to order and in any case the sale is void as was improper and opposed to section para 5 of the Land Revenue Rules. On the circumstances the sale of 15-2-97 will be cancelled and the deposit money returned.

48

To the Bidder. In Dy HC, no orders in telegram of 5-12-97 will be allowed until March next to pay the balance and Bidder be informed that payment by the said date will be strictly enforced.

Sir, In the matter of the sale of my lands at Santhare, I have the honor to address you as follows:-

I went in to Chickmagalur last week to see you in person, but was again unfortunately unable to do so as you were out on Circuit Duty. But I waited some days there, and in a long interview with various Officials I explained the whole matter in detail with the Cases on the table and one of your Officials undertook to examine, & you the Explanations given by me. I beg to submit that there were irregularities in the matter of the Sale as held by the Amildar Kadur, and I stated this matter has been brought down to you by your Office. If I am required to go into detail, over the same ground in writing, I will be happy to do so, & I will come in & see you in person as you direct. Meantime I await your orders in the matter, and will be prepared either pay the account as arranged with you, & to withdraw proceedings - an unfair advantage was taken in the attempt the Cases from Mysore & Coorg (and this fact will be borne out by the Records) While on the other hand, the Applicant was actuated by the sale of the lands (and Murders and Robberies and Dacoities realised by the Amildar was brought in his knowledge) & all the Amildar was informed that the Sale was null & void. Case Number - May I therefore request that the Sale may be confirmed - and leave the Town Peacefully, Most Obediently Yours

PETITION CLERK [illegible]
No. 27892
Date 14-6-28

To The Secretary
Office of the Revenue Appeals
Bangalore

Sir, Re Messrs Arbuthnot Co's Appeal Petition

I have the honor to state as follows :-

(1) That I have been unavoidably prevented from being present at the hearing of the appeal in person -

(2) That in the event of the Rent Commissioner's order being reversed, I wish to place on record the fact that though the balance of tax more due had already been obtained by the Sale of my Estate Lands Numbers 9, 10, 11, 12, 13 & 14, & 21, at the Government Sale held on the 18th of December at Tarikere the Auditor still further proceeded & sent up Bill for Survey No. 26. This I dg we consider he was interfered in Error.

With reference to the history of the preceding I beg to explain to the members of the Revenue Court that prior to the date I had obtained the Deputy Commissioner's permission for a postponement of the date, of Rs 500/- more paid in before the date of sale, & the balance of Rs 300/- to be paid by end of March 1928 - accordingly the cash before the Sale in December I proceeded to Chikmagalur & pay in the Deputy Commissioner's Office the Rs 800/- as ordered. I am sure the Court will see, that through their error the Revenue Roll already paid in more than the stipulated amount.

presented by Mr. A. B. Evans, (by his Advocate Mr. Govindaraj) of Yercaud, Madras Presidency, appealing against the order of the Deputy Commr, Kadur Dist. cancelling the sale of 8 survey numbers of Villabiranahalli in the Sakleshpur Taluk for arrears of revenue due by Mr. Forbes Sylk.

Rs. 12460 / R.635 dt. 30-4-98 2/7

Order thereon:-

The Dy Commr is requested to submit a report furnishing the following information within a month from the date of receipt of this order.

Reporting

following information should be obtained and furnished in this matter.

1 Did Mr Lyle appear before the Deputy Commr and offered to pay up five hundred ~~Rs~~ at once and agree to pay up the balance before the 1st of of March? did he file any written application? What was the necessity for the Amildar to be directed to take another agreement from Mr Lyle to pay up the balance before the 1st March? All the original record on the point must be sent up.

2. Did Mr Lyle or any one on his account send a cheque for Rs 900 or is the statement of Mr Lyle that he sent a cheque for 900 Rs unsupported by facts? What is the

explanation of Mr Lyth on this point and now that he has failed to pay the balance on or before the 1st of March, what objection, if any, has he to the sale now in question being confirmed?

3. When Mr Gurunath paid 500 and on account of Mr Evans did he file a written application? In what express terms did he pay the money? All the written record, if any, on the point must be sent up.

4. Was it before or after the receipt of the telegram from the Dy. Comr directing the Amildar to postpone the sale under certain conditions that money was received from Mr Gurunath? Was Mr Gurunath informed of the telegram before the Amildar proceeded with the sale? Full information on the point must be supplied.

5. As Mr Gurunath did not

not pay up the whole arrear
under Section 175 of the Rev Code
what authority had the Huldar
to stay the sale of S. Nos 15 & 22.
Had the arrear against these
numbers been separately assessed?
What is the practice in vogue in
the District in such a case of
several survey numbers being
put up for sale, and the sale of
one of them being stayed on the
payment of a part of the arrear?
The authority in support of the
practice must be quoted.

The record are returned for report & recommendation
back to the Dy Comm^r for
a further report being submitted
on the above points within a month
from the date of receipt of this order.

Reporting on General points raised in G.O. No-1246 dated 30th June 1898, regarding Pol 1538 the arrests of Kandayan Dhe by Mr. John Sykes Project Katlay Gowda, Sarikere Taluk ——

Original filed with the Rolls of this Subject.

Dated 2nd July 1898.

From

To.

The Secretary to Government
General Revenue Department

Sir,

With reference to Government Proceedings No. — 12460 dated 30th June 1895 I have the honor to report Ref 1535 as follows:—

2. (a). The Sykh did not appear before the Deputy Commissioner in person, but wrote a letter on 18th December 1897, offering to pay Rs. 500, the amount due on the award requiring that the balance should be remitted, receipts were sent him by which time he should have paid the money.

(b). The Sykh did not appear nor was he or any one on his behalf authorized to agree

agreed to pay the balance, which does not appear to have been fixed by the then Deputy Commissioner — Mr. Weir, and the following telegram was sent to the Tarikere Amildar on 15th December 1897:

"Sale of Mr. Sykes lands may be postponed provided Mr. Sykes pays Rs. 500/- on 18th instant and agrees to pay balance by 1st March." Mr. Sykes letter dated 13th December 1897 is with the enclosed papers.

(C.) Neither Mr. Sykes nor did anyone on his behalf send a cheque for Rs. 900/- to the Amildar, but a cheque for Rs. 900/- was presented by one Mr. Gurú Rao, advocate, who after ascertaining that Rs. 589-10-5 alone were due on survey Nos. 15 and 22, over which one Mr. Evans held a mortgage, paid this amount, and no more, as advocate of Mr. Evans.

(4)

(b) It appears that Ganesh did not file any written objection to the said Exhibit, but that, relying on the 15th December and appearing by Counsel on the 22nd December, he filed Exhibits 15 and 22 which purported to be receipts for the Government Loans and the Government Agent having signed it, they ought to be credited to Government, whereas Exhibits 15 and 22 were both the Government Agent's and Ganesh's receipts.

(c) The receipts state that the payment and the telegram after that amount was paid by the Government Agent on the 15th December; that the telegram was shown to the Government Agent, and he was asked whether he would pay up the balance; and that on his refusing that he had no instructions on that point, the sale of the remaining animals was proceeded with, on the 18th December.

(d) The practice in regard to the

Exhibit

District when several survey numbers are put up for sale, and payment in part has been made on certain of them, is to proceed with the sale of the remaining lands, for realization of arrears still due; and if such lands do not realize the full arrears due, the numbers on which arrears have been paid and the sale objected are generally proceeded with if the defaulter has no other property.

3. As far as I am able to ascertain the confusion in this case has arisen from the fact, that there are two sets of mortgages with claims on the lands in question - Mr. Lyle expected one set to pay up his arrears for him, which they failed to do; the other set objected, in paid up the arrears due on the survey numbers, over which they held a mortgage, and bought in the remaining numbers at the sale.

The Amildar was ill advised in not carrying

carrying out the powers of the Deputy Commissioner to the letter, we think we could not suggest anything better, and all the correspondence ceased — the somewhat unsatisfactory, however, as it is, we think has not sufficient excuse for his misbehaviour —

4. Under these circumstances I would respectfully suggest that the case should, and on the whole fairest way out of difficulty, is to confirm the order cancelling the lease at the same time warning Mr Lyth that the numbers will be again put up to auction, within a month after the receipt by the Government of the purchase money, unless all Government dues are duly paid up to date.

Sir,

With reference to Government order No. 936 dated 3rd August 1910 calling for further report in R 67102
connection with the petition of Messrs Evans & Lyons Ltd regarding the Concession of the Ends of certain Circuits belonging to the Cycle, I have the honour to report as follows:—

(1) As required by Government orders, the Communications were sent to the Engineer requiring him to state what objection he had to the Ends being confirmed he having failed to do so in the letter by the 15th of.

March 1898, and how he came to know of the alteration of the Cheque.

Correspondence has been received, and I regret to say the Pleader's report of his death in Madras on the 4th instant.

(2). The cheque was for Rs. 5000 issued on the Madras Bank in favour of Mr. Gurn Ram. The amount of the cheque was not altered from Rs. 5000 to Rs. 5,000, but as the Cheque was in the name of Mr. Gurn Ram that gentleman cashed it and paid Rs. 5,87,000 the arrears due on two mines on which Mr. Evans, Mr. Gurn Ram's Client, held a mortgage.

2. Under these circumstances, I would again invite attention to the concluding para of my letter No. 30 dated 21st July 1898.

The humble Petition of
1) A. Narainsawmy Iyengar.

3) A. Sundramoorthy Iyengar
carrying on business
under the firm name of
Messrs Arni Narainsawmy
Mudaliar & Co at the Mysore
Fair in the Civil and
Military Station of Bangalore

Respectfully Sheweth

1. That the property known as the
Nuggay Kutty Coffee Estate - situated
in Pilley Beeranakolly Village, Periyapatna
Taluk, Nuggur District in the Province
of Mysore and more particularly
described in the annexed schedule
was mortgaged by the Petitioners late
Father Syth, now deceased, to your
Petitioners

(1) Petitioners executed a duly registered Indenture of Mortgage bearing date the 2nd day of July 1903 for the amount of Rupees Eight lakhs agreed to be repaid within one year with interest at the rate of 9 per cent per annum

The said property was sold by (2) necessarily less than about Rupees Eight 2 That the said mortgage should be discharged

The original Indenture of Mortgage having been fraudulently by (3) Petitioners to the Administrator General of Madras who never represented the Estate of the deceased mortgagor (4) Petitioners prays leave to file a true copy thereof for perusal.

3. That (5) Petitioners pray humbly have reason aware of the fact that the said property have been attached and sold by Government for arrears of assessment due by the said Mortgagor and that the amount realized at the said sale was the comparatively paltry sum of Rupees 10[illegible] - - ; the purchaser being a Mr Evans, as (6) Petitioners are informed and believe

4. That if, as (7) Petitioners are informed and believe, the Government

demand

Bernard became due and the said
Sale took place during the lifetime
of the said Mortgagor, to the said
mortgagee acted fraudulently in
concealing the said matters from
Your Petitioners who were totally
ignorant of what has taken place
as above alleged to their prejudice.

If Your Petitioners had been informed
or aware of the intended sale, for
arrears due to the Government they
would certainly have paid the
amount due and preserved their
lien on the said property.

5. That Your Petitioners are
informed and believe that certain
matters connected with the said
sale are now before the Government
under consideration, at the instance
of the said purchaser or the Administrator
General of Lands, and that the hearing
of the Petitioners pleas in connection
therewith have been posted for hearing
to the 4th August next.

Your Petitioners have further
learned that the Deputy Commissioner
of the District, has strongly opposed
to sanction or confirm the sale for
reasons that Your Petitioners have yet
to learn.

6. That if the said sale be confirmed
by Government Your Petitioners would
lose

Case that said Mortgage claim should
prove insufficient to discharge the
Debts, & principal residence of said
Heal have accrued due.

7. That Your Petitioners trust and
hope that the Government, on the
Exercise of all the principles of
Equity and Justice, will not suffer
the said sale to the prejudice of Your
Petitioners.

Wherefore Your Petitioners
humbly pray.

1) That their said Petition may
be received and considered
by Government for connection
with the other proceedings &
petitions of the said Petitioners
& Mr Evans - and the Advocate
General, Madras,

2) That notice of this Petition
may be given to the Ld's
Insurance, the Local Mahomedan
of the said other parties by
the Petitioners & Mr Evans and
the said Advocate General,

3) That the said sale may be
set aside and that the
mortgage claims of Your Petitioners

due and also future Premiums
that may fall due until the

said

Said claim be adjusted & allowed
